

PATAN ABDUL AZIZ KHAN

MERN Stack Developer

+919618298074 patanabdulaziz73@gmail.com GitHub, LinkedIn

SUMMARY

I am a highly motivated and detail-oriented web developer with a strong foundation in HTML, CSS, and JavaScript. My experience includes working on dynamic web development projects and freelancing in various capacities. I excel in both frontend and backend development, particularly with MERN stack, and I am eager to continue learning and contributing to innovative projects in a fast-paced environment.
